Sexual Assault (Sex Offenses)

Any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent. Include attempted Sexual Assaults, but do not include in Clery Act statistics any Sexual Assaults other than the four types of Sexual Assaults described below

a) Rape is the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females. Count one offense per victim.

Include the crime as Rape, regardless of the age of the victim, if the victim did not consent or if the victim was incapable of giving consent. If the victim consented, the offender did not force or threaten the victim, and the victim was under the statutory age of consent, include the crime as Statutory Rape.

b) Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity. Count one offense per victim.

Fondling is recognized as an element of the other sex offenses. Therefore, count Fondling only if it is the only sex offense.

c) Incest is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law. Count one offense per victim.

d) Statutory Rape is sexual intercourse with a person who is under the statutory age of consent. Count one offense per victim
